Year 10 Boys Cricket

Next week the year 10 cricketers face a tough game against rivals Warden Park in the county cup 1st round. We spoke with the team's captain, Sean Sage, about the match. We asked him how he felt about the game, he said: "I'm excited; I think it's going to be a fair game, but I think we can win." We also asked him about the responsibilities he has as captain, he replied: "Leading the team and making sure that they're in the correct fielding positions and that they know their jobs on the day."

We also spoke to George Tagg who can't play next week due to injury. We asked him how he felt about missing the game, he said: "I'm really devastated, it's a big game and it's a massive disappointment that I'm not playing." His teammates were also very upset at the fact that he couldn't play, but were still looking forward to the big game.

The game will be taking place next Wednesday 30th at Warden Park at 1pm.

Y7 DISTRICT CUP FINAL

The game will be played on Wednesday the 30th of April and the kick off will be at 4:00pm. The coach Mr Gainey thinks that he has picked a very strong team and he thinks that we are up to the task of beating Downlands. All the players are really excited for the game! If we do win it then they will be the first y7 team to win the cup since 2009.

Ryan West (keeper) has high hopes about the game and is confident he and the rest of the year 7 team are going to win the match against Downlands. There George Shiell (midfielder) says that he thinks that we have a good chance of winning next Wednesday. All the players and supporter we spoke to are expecting a difficult match but hope to come back victorious! To be continued...

Thompson Triumphs in Holland!

Over the Easter break Jacob Thompson of 8D travelled to Holland to take part in a football tournament representing Brighton. While he was there he played two fixtures and an international tournament. The first game Jacob played his team lost 3-0, which was a bitter disappointment to the team. However they bounced back in the second game and won 3-2. Shortly after Jacob's team was put through to the golden league by goal difference. The team's mood was improved as a result of 3 further wins which ensured their victory over all the other teams. For their hard work they were awarded a medal each and a trophy (see picture). Here at St. Pauls we are very proud of Jacob's achievements and expect to be hearing more from this talented young boy soon!
